The Dimmer View

By MAX GOODWIN

California is the "permit" state in the nation.

There's a "permit" or license for almost every facet of our existence in this, the glorious state of the golden west.

You name the activity and I'll dig up a law requiring the "permit," be it operating a business or digging a septic tank.

You name the activity and I'll dig up a law requiring the "permit," be it operating a business or digging a septic tank.

While licensing is my beme today I'm going to say something nice rather than following my natural bent of complaining about the various "perm" divisions of our state and puny government.

Please notice that I'm not complaining about the County Building Department which jenses construction and in the process stumbles about like an dgent grizzly bear; or the count planning department which is re-nounced people and drens of all houses in the count; being set-back exactly the sat distance, having the same umber of rooms and being th same color, and, for all I know, would limit the number of children in each of these same-color-set-back houses.

As chairman of the itizen's Committee for Dissolving the State Department of Motor Vehicles, I'm even passing up the right to make a vitriol pronouncement, this being efer because of a sweetie-pie-named Beth Bennett, who runs the department, and who triesdard to overcome civil service dry-rot personnel problems.

Today I recommend tat you send in \$2 for your dog license, and buy in on a bargain, 's such a good investment that I may send in the money althugh I don't even own a dog.

You'll be purchasing te services of the County Dog Control Department, which is map up of Dr. D. A. Lamar, a veterinarian, and a staff of two employees.

I've never met Dr. Lamar but from reports I get he seems his duties with big hunks (logic: He's also something of a geni because this three man crw provides the southern part of the county (a north section is contracted) with such services as these:

When a neighbor complains about barking dogs, the sheriff refers these calls to Dr. Lamar. Dr. Lamar has a policy of handling these squawks on neighbor-to-neighbor basis because, he says, if tempers get out of hand the principals wind up n court amid charges and counter-charges. He's pulled several such cases right out from under the court of our own Judge Hussey by getting the complaints together in an atmosphere of understanding. Interest, energy, determination and logic are his tools. He handles about 60 such complaints a month.

His department also picks up about 100 dead or injured animals a month. If the pit has a license, the registered owner is notified with the same understanding a hospital doctor would use for notifying a family of a human hospitalization.

At the county shelter which is the base of operations for this department, lost dogs are collected. Here, owners are happily united with lost animals. The license is the means of identification. Owners, as remote as Arkansas, have recovered animals here.

Collection of strays is the major service the department provides. These animals are nuisances who make their own living, usually by chickens or via overturned garbage pails. Strays is the link through which rabies travels, says Dr. Lamar. Of 65 California counties, 37 have outcroppings of this dread disease. All of Los Angeles and part of Santa Ana are under quarantine while San Diego is clear of rabies. Even so, the danger persists.

Our neighbor, the little daughter of Dr. and Mrs. Don Johnson, underwent the series of 14 shots during the holidays because she was dog-nipped. The treatment is hazardous because of side reactions. Much more of this would occur if strays were not collected and the roving animal population kept within bounds.

New President Installed By Kiwanis

Installation of new officers of the Lemon Grove Kiwanis Club was held during the holidays at a regular weekly meeting at Michael's.

Inducted was Dr. Robert Swenson, Lemon Grove dentist. Installation ceremonies were handled by outgoing president (left) Dan Apra, and Kiwanis District Governor Nat Eggert of El Cajon (center).

Other officers installed included Thad Butts and Dr. Si Brumbaugh as vice presidents. Dr. Brumbaugh will also be in charge of programs for 1956.

Sam Solleder was installed as secretary and Bill Young is again treasurer.

Woman's Club 'Adopts' Korean Child

By MARY VLACH

The Lemon Grove Woman's Club has adopted a Korean orphan child for whom they will provide care and training for the next year. The child, Koh-Chung-Sook, 14 years of age, has been placed in a Bo Yang Won orphanage in the village of Yung San Po in South Korea where she will receive love and security and forget the unhappy past.

Her parents disappeared when their home area was attacked during the recent Korean War and have never been heard from since. Koh-Chung-Sook was found half starved wandering about alone and was taken to the orphanage. She is now in good health and is in the sixth grade and hopes some day to become a home economist and with our help I'm sure she'll grow up to be a fine and useful citizen of Korea.

The Lemon Grove Woman's Club will hold their regular meeting on Friday, January 13 at 1:30 p.m. at the clubhouse. Guest speaker will be Irving Stone of the California State Mental Hygiene Clinic. His subject will be "The Nation's Number One Problem, Mental Health." There will also be films.

Hostesses for the day are Mrs. E. I. Du Chemin, chairman; assisted by Mrs. A. M. Wilson, Mrs. Anthony Codina and Mrs. George Kraft.

On January 12 the Lemon Grove Woman's Club will act as hostesses, providing cake and refreshments at the Armed Services YMCA. Mrs. L. F. Vlach is chairman.

Plans for a county-wide Don Diego Boosters Club will be announced soon. This organization will be for children under 12 years of age. Adults will be honorary members.

There are some amusing aspects of the work, Dr. Lamar said. Recently, following a heavy rain, a La Mesa woman complained that the frogs in a pasture adjacent her home were keeping her awake. While this is not within the scope of the department's responsibility, Dr. Lamar helped resolve the woman's plight. Water, he told her, revitalizes long-sleeping frogs. Try to stand the noise two more nights and they'll hush, he told her.

Next week the department got a nice note from the woman whose temper and nerves were again normal. Dry weather had stopped the croaking.

Now do you agree with me? Where else can you get so much good from government control for only two bucks?

MEN'S CLUB TO HEAR HIGHWAY EXPERTS FRIDAY

The Lemon Grove Men's Club will take up discussions on community matters again this Friday after a holiday lay-off.

They will hear Jake Dekema and Ralph Luckenbach, district engineer and assistant, respectively, for the California Division of Highways. They will enter into a round table discussion with members on the effect of the Lemon Grove freeway on the pattern of the growth of the community.

They will reveal the schedule for completion of various elements of the freeway in this immediate area, they said.

All men, whether they have attended previous meetings or not, are invited. The club meets at Michael's at 12 noon on Friday.

AUNT JEMIMA TO BE AT MAYFAIR SATURDAY

Aunt Jemima, whose beaming face has graced millions of packages of Aunt Jemima Pancake mixes will be in town Saturday and for the obvious reason.

She will bake pancakes all morning at Mayfair Market and these will be served without cost to patrons.

Bill Parson Back in Business

Bill Parsons who operates the Lemon Grove Realty Company at 3311 Imperial Avenue is back in the saddle again after nearly three months of illness.

Restricted to a rather limited diet, Bill is attempting to enjoy such things as poached eggs, buttermilk and warm bouillon.

During his absence his office was handled by Frank Stanley. Stanley will remain with Parsons permanently.

There are about a dozen reasons why women dress the way they do and all of them are men.

POLIO 'BOOSTER' SHOTS DUE IF OTHERS WERE GIVEN DURING MASS INOCULATION

Medical authorities urge that children, who received the first two Salk vaccine injections during the mass inoculation program last spring, should have their third or "booster" injection now.

To get the maximum protection against poliomyelitis, a series of three inoculations is necessary. According to Dr. Jonas Salk, the booster injection is most

Nominating Committee to Be Picked By Mt. Helix Council PTA

A general meeting of the Mt. Helix Council, PTA, will be held Wednesday, January 11 at 9 a.m. at the La Mesa Spring Valley Education Center, with Mrs. Don Irwin, president, presiding.

Business will include election of the nominating committee. Mrs. S. K. Solleder, council parliamentarian, will discuss parliamentary procedure, with particular emphasis on "Nominating Committees and Their Correct Procedure." A question and answer period will follow, according to Mrs. James Gillen, council program chairman. Mrs. Robert Higgins, council legislative chairman, will lead discussion regarding the part PTA can play in school bond elections.

Hostesses will be representatives from La Mesa, Bancroft and Spring Valley elementary schools. Child care will not be provided for this meeting.

CAROL ANN YOUNGBLOOD

Carol Ann Youngblood, 8604 Valencia Drive, was installed Wednesday as honored queen of Bethel 229 Job's Daughters. Also installed at the sixth annual event were Jean Lee, senior princess; Loretta Bell, junior princess; Connie Reed, guide and Karol Rife, marshal.

Appointive officers are: Zena Dall, junior custodian; Diane Gardner, senior custodian; Lynda Harris, inner guard; Pamela Amundson, outer guard; Jackie Walker, Wilma Whisenand, Sharon Muller, Madeline Peckstein and Carol Willig, first, second, third, fourth and fifth messengers, respectively.

Donna Bell, librarian; Ruth Dilly, chaplain; Sharon Sanders, recorder; Mary Lee McMann, musician and Jackie Munn, treasurer.

CAC to Name High School

It will be up to the Grossmont Citizen's Advisory Committee to name the new Spring Valley-Lemon Grove-High School, it was announced last week by a spokesman for the school district.

The architect's plans for the \$2,250,000 school have been approved by the state division of architecture, it was also announced. The plans call for the school to be built on Sweetwater Avenue in the neighborhood of Jamacha Road, and the district trustees will shortly advertise for bids.

The school plans drawn up by Herluf Brydegard, El Cajon and San Diego, take in a complete educational institution, including a gymnasium, swimming pool, multi-purpose room (cafeteria) and a speech arts classroom.

Future plans include another gymnasium and a second auditorium.

The district spokesman went on to say that the state's school planning division must approve the plans before the actual work can begin.

The proposed swimming pool will be built in such a manner that it can be used by the general public during the summer, and the present estimate of the cost of the plant is somewhat under the amount of the bond issue, according to the spokesman.

The preliminary planning has been done, and the final structural plans are scheduled for a later date. The state must approve these plans before construction contracts can be called for, according to the report.

1956 March of Dimes Underway In Area

San Diego County's 1956 March of Dimes got under way Tuesday and will continue through the entire month of January.

Tom Farrow Sr., general chairman, will be in charge of the fund raising campaign in the Homeland area and he has great hopes of surpassing last year's donations toward the fight against crippling infantile paralysis by many more dimes and dollars.

Many people ask why, now that medical science has worked its wonders with the Salk vaccine, should we go on giving support to this cause.

The answer is that polio is far from being licked yet. Science certainly won a real battle, but not a war, and there is still much to be done before finishing the fight against it. There are, in fact, many reasons why the need is more urgent now than ever before. Most of all, it's urgent because polio is still striking, and striking hard.

Treasurer for the area is Arnold Smith of the United States National Bank, Lemon Grove; publicity, H. A. Thomas, Spring Valley Bulletin, and Mrs. Chas. D. McKenzie of Darryl Street, Lemon Grove.

Home Cooking and Newspaper Advertising Causes Restaurant to Expand

The Dinner Bell Cafe, 8129 Broadway, which began business less than six months ago under the ownership of Mr. and Mrs. C. O. Coffee, has completed arrangements to take over the entire building adjoining their present location in about 15 days. The rapid success of their venture is attributed largely to popularity of home cooking which they feature, and consistent advertising in the Lemon Grove Review and Spring Valley Bulletin.

Moving to their larger quarters at 8125-27 Broadway is made necessary by their present lack of accommodations for family patronage. Their new quarters of approximately 2000 sq. ft. will provide a special section of booths and tables for seating, in addition to stools for short order service.

According to the Coffees, known as Sis and Chuck, the same home-like atmosphere and personal attention will be retained in their new location. Emphasis is placed by them on the fact that intoxicating beverages are not permitted on their premises, and that that they will continue to cater strictly to family trade and those who desire good food at moderate prices.

Homeland Sheriff's Office Adds Man

Donald H. Bryan, a resident of Lemon Grove, who has been with the sheriff's office for about 5 years, is now working out of the Homeland office at Lemon Grove, assisting Claude Smith, who has taken over the duties of constable.

Deputy Sheriff Bryan has worked in the area about 4 years, having prowled each duty. He will be on duty each day except Tuesdays and Wednesdays.

CHAMBER ENDORSES WATER BOND ISSUE

The Lemon Grove Chamber of Commerce, meeting for the first time under its new president, Bruce Harms, unanimously endorsed the Helix Water Works \$5,230,000 bond issue which is scheduled tentatively to be voted on February 21st.

146 Enterprises in Grove Says Dun & Bradstreet

"There are 54 more business concerns in Lemon Grove today than there were seven years ago," says R. G. Duncan, regional manager of the Los Angeles office of Dun & Bradstreet. Basing his facts upon the figures in the current November Reference Book, Duncan points out that in 1948 92 businesses were listed by Dun & Bradstreet; today there are 146 enterprises—a 59 per cent increase.

The Reference Book, incidentally, lists only manufacturers, wholesalers, retailers and some service companies, such as laundries and gasoline service stations.

In discussing these figures, Mr. Duncan pointed out that more than 95 per cent of all commercial transactions in the U. S. are made on credit terms. The purpose of credit reports and the huge Reference Book is to assist businessmen in arriving at credit decisions of customers' orders.

A supplier anywhere in the U. S. can look up the rating of the Lemon Grove businessman in the Reference Book. In this way, the local concern is known far afield and orders can be approved and shipped promptly.

The credit rating is one of the key factors in approving orders to ship or sell. The rating consists of two symbols. The first, a letter of the alphabet, indicates financial strength or tangible net worth of the business. The second symbol, a numeral, reflects a composite appraisal of the background, operations, financial stability, and payment record.

Each Reference Book listing (which includes the rating), is a condensed summary of the information contained in the Dun & Bradstreet credit report. The report includes a history of the business (who owns it, who runs it, and how long it has been operating), a description of what the business does and how it operates, a financial section (which usually includes the latest financial statement), and a record of how the concern pays its bills.

Credit reports are also used by insurance underwriters to review risks, rates, and coverage for fire and other types of insurance.

Area March of Dimes To End With Victory Dance At Michael's

The 1955 March of Dimes got underway Tuesday in all communities in San Diego County to raise money for care and treatment of local polio patients and to finance research and education that will eventually eliminate this crippling disease.

Nationally prominent statesmen and celebrities gave their endorsement to this annual polio fund drive with radio and television appearances and pleas for contributions.

Throughout this county the American Legion and its auxiliary conducts a "Blue Crutch" sale of miniature crutches with all proceeds going to the March of Dimes.

In the city of San Diego an iron lung respirator was placed in a downtown store window at Fifth and Broadway, with civic leaders taking turns occupying the metal tank, according to Tom Farrow, east county polio chairman.

Other special events scheduled for the month-long drive include a visit by Basil O'Connor, president of the national foundation, January 9, the crowning of the "Mother of the Year," a county-wide "Koffee Klotch" January 16, and a Victory Dance of Dimes January 30 at Michael's.

St. Philip's Installs New Bell and Tower

St. Philip's has a new bell and tower over the door, which was installed by Harry Beran.

The Annual Parish Meeting will be held next Sunday, January 8 with a potluck supper beginning at 4 p.m. This is the most important gathering of our family during the year. Dean Jones will be guest of honor.

The first organizational meeting of our Boy Scout troop will be held January 6 at 7 p.m. All boys over 11 years of age are invited.

STATES TO PAY KOREAN VETS

Ten states are now paying a cash bonus to Korean veterans, Eleventh Naval District headquarters announced today.

The states include Connecticut, Delaware, Indiana, Louisiana, Massachusetts, Michigan, New Hampshire, South Dakota, Vermont, and Washington. Five other states, Illinois, Iowa, Minnesota, North Dakota, and Ohio, have bonus proposals pending at the present time.

Servicemen and veterans desiring more information on the bonuses may obtain same by sending a self-addressed, stamped envelope to the Times Service Center, 2020 "M" Street, NW, Washington 6, D. C., and ask for Report No. 90.

Newest American name in the Antarctic regions is "Atka Bay," so named by the crew of the U. S. Navy icebreaker on her 1954-55 reconnaissance trip to Antarctica.

BILL DOUGHMAN REELECTED TO HEAD SV CHAMBER

Doughman

William (Bill) Doughman of Olive Drive, Spring Valley, was reelected president of the Spring Valley Chamber of Commerce at the December meeting.

Other officers elected were: John C. Danner, first vice president, reelected; Mrs. Jean Eskridge, second vice president; H. A. (Tommy) Thomas, secretary, reelected; George Robeson, treasurer, reelected.

Board members for the 2 year term: Ted Phillips and Anthony Spinazzola, reelected, and Chet Smith. Bill Anderson was appointed to fill out the one year unexpired term of Dwight Akers. The 2 carry overs for one year are J. William Clark and C. V. Eskridge.

Installation of officers will be Monday night, January 30. Mrs. Jean Eskridge will provide some good entertainment. Refreshments will be served. The public is cordially invited.

Letters were sent out by the secretary to several persons who had spent much of their time recently to help the chamber of commerce in its recent undertakings: to the Woodward Sand Company of Mission Valley, the Helix Plastering Service of Calavo Gardens and to E. F. Brady of La Mesa for helping to complete the hall; to Elmer Drew of Drew Motors, La Mesa, for providing and driving the SV official car in the North Park Toyland Parade, and to J. F. Schwendman of the Helix High School for making up the 3 kings for the SV float.

A letter was also sent to the county board of supervisors, pointing out the fact that danger exists on Sweetwater Avenue, between Imperial and Troy Street, due to the narrowness of the road

A WEEK IS HARDLY ANYTHING IN THE LIFE OF A WEEKLY

The nice part about running a weekly newspaper is the relaxed manner in which everything is viewed. For example, when Roy Lane decided to have his annual January clearance sale we didn't worry much about whether his full page advertisement was to run last week of this week. We got the thing together, showed him a proof, and ran it.

Lane, however, had planned on our running it this week instead of last week so as to tie in closer to the start of the sale on January 5.

Because we ran it a week early, Lane didn't have a chance to get his sale merchandise properly marked and for a few days he had bedlam what with people charging in demanding the merchandise at sale prices.

Good ole Lane rose to the occasion. Not one person was turned down on the marked-down prices. This week, as the sale starts in earnest, all goods are properly tagged. The sale is going off according to schedule.

Guess we're going to have to watch the calendar a little closer in the future... if someone will come in and tear last month's page off. We're too relaxed to do it.

Dates of the 1956 Southern California Exposition and County Fair at Del Mar are June 29 through July 8.

and the fast traffic. It was suggested that the county paint double no passing lines along that particular stretch of road.

The heater in the community center hall has been installed and already put into operation. Two new doors have been installed as well as the new speakers for the pa system. It is hoped the hall will be finished completely by installation night.

Irrigation District Directors Final Meet For 1955 Climaxes With Big Real Estate Sale

The final meeting for 1955 of the Helix Irrigation District directors transacted matters on a short docket and wound up with an auction sale, which sale showed a profit to the district of some \$13,000, after commissions are paid.

(See the story of the real estate auction in another column.) Bids for chlorine were opened as a starter, successful bidder to be announced.

Warrants totaling \$39,403.02 were approved.

Resolution cancelling Assessment 874-45 and removing from assessment rolls of the district all of Block 39 and portion of Blocks 28, 29, 37, 38 and 40 of North La Mesa, owned by Grossmont Hospital District. (Property owners in the hospital district are now paying 20 cents per \$100 assessed value hospital tax. See your tax bill.)

Three quiet claims of easements were adopted by resolutions. Expense claims of \$3 by M. J. Shelton, expense in connection with C of C meeting, and Carlyle Reed, \$91.42 miscellaneous expense, were approved.

A letter from Stephen Fletcher re Cuyamaca re-opened a discussion that was supposed to have been closed. Steve wanted a temporary lease so he and his friends could do some hunting and fishing on the lake bed. Unless we get rain pretty soon the ducks won't be able to find a place to light and spend the night.

Discussion of a possible damage claim against the district, with \$30,000 as the focal point, took up considerable time. Something about a tank put up by the district and damage to adjacent land. Mr. Manley will meet the board next Tuesday and discuss the matter.

District Board Sells Two Lots in Moody's South Addition To Lemon Grove

Directors of Helix Irrigation District held an auction at their last meeting.

Two lots, 21 and 22, in Moody's South Addition to Lemon Grove, were sold to the highest bidder for \$15,100.

October 25 a letter was sent to all real estate brokers in the irrigation district, enclosing a sketch showing the two lots available for sale. "The irrigation district has title to these lots as a result of legal procedure and can deliver merchantable title insurance policy covering the total area sold."

"The property will be sold only as a unit and the board has set a minimum price of \$13,500 for Lots 21 and 22 of Moody's South Addition to Lemon Grove. Individual lot sales will not be made."

Bids for the property were invited, and a commission of 5% to the broker submitting the first bid, with another 5% to the broker producing the purchaser.

First bidder for the property was for \$13,525, submitted by C. L. Oliver Co. Mr. Harris bid \$14,000, one-half down in 30 days. Next came \$14,100, followed by \$14,500 by Harris, then \$14,525 by Oliver Co., then \$15,000 by Harris and finally, "third and last call," \$15,100 by C. L. Oliver Co. and a check for \$800 to bind the deal. Attorney Bill Jennings acted as auctioneer. There was little excitement during the bidding, with plenty of time allowed for bidders to up the offer. Jennings didn't even say "Sold" at the end. A motion was made that the sale be approved, so ordered, and the

deal was closed. Oliver Co.'s rep. thought he might have half the money sooner than the time allowed.

The sale included bringing water to the edge of the property.

This property was purchased from delinquent tax department of the county tax collector by the irrigation district in 1952 for \$190, Lot 21, and \$500, Lot 22, a total of \$690 for the piece. Made a nice deal for the district. A number of other pieces of tax delinquent property in the district were optioned and purchased at the same time, and this other property will be sold later. To the price paid the county for all this delinquent property should be added delinquent district taxes.

If interested, possible purchasers may get full information from the new district tax collector, who has full information.

Lots 21 and 22 are situated between Carlisle street, in Monterey Heights—Hughes street, an extension of Carlisle to the west. Northern boundary is the extension of Calvocado, with Glencoe the western boundary.

LESSON ON 'SACRAMENT' STRESSES SILENT COMMUNION WITH GOD

Christian Scientists will kneel in silent communion with God to receive more of the Christ spirit at the Sunday service on "Sacrament" in all Christian Science churches. They will pray with the Psalmist (51:10), "Create in me a clean heart, O God; and renew a right spirit within me," which is the Golden Text

Why I Think You Should Go To Church This Sunday

Why I think you should go to church this Sunday morning is exactly identical with the reasons why I think I should go. As I see it, the Church was established by Christ and existed down through the centuries. This is truly God's own plan to proclaim the Gospel and to give men the opportunity to have Christian fellowship and corporate worship.

It is true that you can and should worship each day alone as you commune with your God, but if you are physically able to do so, you should also attend the church of your choice remembering the Scripture, "Forsake not the assembling of yourselves together." Such regular church attendance will do so much for every individual who gives it a try; it will do much for the church, community and world.

Regular church worship is a public witness of faith in God. Someone has said that the church ought not to be a place where the family sends a delegate. It is not a place where saints are on display. Then what is it? A church is only a church when all types of people find a welcome as they come voluntarily to the foot of the Cross asking forgiveness of their sins and guidance from God on high to help them go out into the world to live better lives, to serve more effectively and to carry out more faithfully the teachings of their religion.

Regular church attendance inspires others with whom you live, work and worship. It not only gives you new strength and courage but often your presence in God's House will help another without your realizing it.

The rewards of attending church faithfully and regularly have been found by many people to be rich and meaningful. It is certainly a good habit for anyone to acquire. I hope you too will profit from attending church somewhere this week. If you haven't a church home, I extend a cordial invitation to you to visit Trinity Presbyterian Church at 3902 Kenwood Drive, Spring Valley. This was formerly the Country Club. You'll find a welcome there!

Bond Election Set By LM-SV School District

The date of March 20 has been set by the La Mesa-Spring Valley School District to vote on school bonds to provide adequate facilities for the children of the district. This decision is the result of a recent poll by the Citizens for Better Schools, and chairmen by Miles Nagel of La Mesa. The election will also include a proposition to ask the state for a \$2,640,000 loan to help carry out the program. Voters will be asked to continue to carry the present tax override which has been in effect seven years, to be used for operating and maintenance expenses.

The school board attorneys are now preparing the ordinances which will be reviewed by the school board at their January 9 meeting.

Fred Lance, business manager for the LM-SV School District, said that taxes will go up slightly if the bonds are passed. He gave one reason: that the tax base will be broadened due to the large number of homes being planned and built in the district. He estimates about \$3 tax boost on each home, per year.

Fear that more double or even triple sessions would result as the population increases in the district, caused the Citizens for Better Schools and the board of education a great deal of worry.

It has been pointed out that any part of a school building loan from the state not paid back within 30 years, can be cancelled.

Welfare Inventory Report to Be Given At Community Breakfast

By PEG WHITE
 The first reports on the most comprehensive study ever made of health, welfare and recreation agencies of San Diego County will be made to the public Wednesday morning, Jan. 11 at 7:45 in the Balboa Park Club.

The San Diego Community Welfare Council, coordinating body for 118 public and private agencies, is sponsoring the \$1.25 breakfast which will be open to the public. Reservations may be made through the welfare council.

The meeting will feature committee reports on "The Community Services Inventory," a welfare council study of economic and population trends in the San Diego area, the health, welfare and recreation needs of the people and the work of all agencies engaged in meeting those needs.

Aimed at economy through avoiding duplication of service, the inventory is the first of its kind since 1927. It is being done at the request of the Community Chest.

John A. Pennock of 2068 El Dora, Lemon Grove, has taken an active part in helping prepare the inventory.

SAN MIGUEL BEGONIA SOCIETY TO HEAR FRANK QUINTANI

San Miguel Begonia society will meet Monday at 7:30 p.m. in the Veterans of Foreign Wars hall, Lemon Grove.

Charles Williams, president, will conduct the business meeting and Albert Henderson, vice president, will present Frank Quintani of La Jolla, who will discuss soils and fertilizers.

Optometrist Opens Offices in McMahon Furniture Building

Dr. Vernon Officer, optometrist, has opened offices in McMahon Furniture Building at 3410 Olive Street. The location is the penthouse section of McMahon's Furniture Store which is at the corner of Olive and Broadway.

Dr. Officer is a graduate of the Los Angeles College of Optometry and earned the Alumni Association scholastic award for maintaining the highest grade point average in his class.

He was chosen by the faculty as the "most outstanding" student for membership in the International Optometric Honorary Fraternity, Beta Sigma Kappa.

A long time resident of San Diego, Dr. Officer served with the Seabees during the war. He is married and has a son 22 months.

Surveyors on Sewer Project In Spring Valley

County surveyors have been working on the first phase of the Spring Valley sewers for the past few days.

According to Warren Barney of the public works department they are now working on plans and specifications for the sewer treatment plant and the trunk lines.

Barney said the county has received many, many 1911 Act petitions, and they are investigating the feasibility to install by the 1911 Act and combine 2 or 3 large projects instead of 15 or 20 smaller ones.

"It is a problem to get the necessary personnel to do the necessary work," said Barney. He said the public works department is giving it all to try and begin the actual work by July 1 of this year.

Local Democrats To Hear El Cajon Publisher

The Lemon Grove Democratic Club will meet Friday, January 6 at 8 p.m. The meeting will be held at the home of Dr. and Mrs. Theodore Bardacke at 3747 Citrus Street in Lemon Grove.

Si Casady, the El Cajon publisher, will be the guest speaker, and will talk on "The Issues of '56." Anyone interested in attending please contact Mrs. Ted Nachison at JU 2-8686.

'Largest' Fair Scheduled for Del Mar This Year

The 1956 edition of the Southern California Exposition and County Fair at Del Mar, June 29 through July 8, will be the largest in history, both attendance-wise and in the number of participants, Don Briggs, president of the board of directors, predicted yesterday.

Briggs said he was basing his forecast on the early interest shown. Correspondence with exhibitors and all those who help stage this huge project, has been enthusiastic, he said.

This year's exposition will run for 10 days, one day less than last year when a record paid attendance of 186,602 persons visited the grounds. The gross attendance was \$244,567.

What is the exposition's number one project now? Getting a new exhibit building completed, Briggs pointed out. Bids for its construction were called for this week by the division of architects in Sacramento. The building will be used for county feature displays, chamber of commerce, grange and related exhibits. Every effort will be made to have the edifice in use this year.

A new 7½ acre fill west of Crosby Hall will increase parking facilities and lessen traffic congestion, Secretary-manager Paul T. Mann said.

The special events department also is active. Final plans are being made for the 11th annual Fairest of the Fair queen pageant. The fifth annual Diaper Derby will be expanded into a major attraction and a new Don Diego Boosters Club will be launched in March.

Old Christmas Greeting Cards are Put to Good Use

Want to put your Christmas cards that came to you with good wishes to still further use? And at little trouble to you?

If so, you may do a great deal to brighten next Christmas at the Naval Hospital, for a group of Lemon Grove ladies have taken up the project and will carry the cards to Naval Hospital, where patients, who yearn for something to keep them occupied, cut the pictures from the cards and use ornaments cut from aluminum or tin to make decorations for next year's Christmas trees. The blank part of the cards are made into writing pads and used by the patients.

For the past ten years Mrs. Randolph Morse has been one of a group of 20 women sponsoring this work. In past years the cards and other articles for the patients at Naval Hospital have been left at Mrs. Morse's home, 8354 Golden. This year, Mrs. Morse requests that the cards be left in the big Red Cross box at the library, where she will get them and take them to the Naval Hospital.

Also, Mrs. Morse requests that anyone having small glass bottles, such as those containing antibiotics, about three inches tall, be included in donations. These bottles are used to hold paint that bedridden patients use in their work in making toys and painting articles. This work is invaluable in keeping the patients interested, and the articles help greatly in finding presents for children at Christmas time.

Should you desire any further information, call Mrs. Morse—HO 6-5101.—D. H.

SCHOOL CHILDREN GIVE PAINTED PANELS TO HOSPITAL

A Yuletide gift to Grossmont Hospital, through its women's auxiliary, has just been announced by the auxiliary's president, Mrs. Jens Hutchens. The gift is a pair of large decorative panels simulating stained glass windows, presented by Miss Irma Rombauer, principal, on behalf of Rolando Elementary School, and gratefully accepted by Mrs. Hutchens for the auxiliary.

The work of 30 fifth and sixth grade pupils, the 16 panels from which the two gifts to Grossmont Hospital were selected, constituted an art project that was undertaken and executed under the direction of Mrs. Florence Ford, art director for the La Mesa-Spring Valley Elementary School District, of which the Rolando School is a part. The panels made their public debut recently on the walls of the school auditorium during the year's Christmas exercises, giving the hall a religious aspect most appropriate to the season. Understandably, their effectiveness created quite a stir.

Throwin' The Bull

'INDIAN GUIDES' TO HAVE PART IN PTA PROGRAM

Thursday, January 12 will be
Father and Son night at the Ro-
lando Park PTA meeting. Ro-
lando Park School, 6620 Marlowe
Street, "As the Twig is Bent, So
Grows the Tree" is the theme of
the 7:30 p.m. meeting. The In-
dian Guides, "Y" Father and Son
Apache Tribe, will conduct a
"pow-wow." There are about 20
fathers and sons in the tribe and
all will wear headdresses. Russell
Bope will introduce the tribe and
give a brief outline of the pur-
poses of the organization.

The flag salute will be led by
the U. S. National Guard color
guard with music furnished by
the La Mesa Junior High School
Band, Marshall Sleet, director.
Lt. Col. Dublin Galyean will give
the devotional. Charles T. G. Rog-
ers, chief probation officer, San
Diego County, will be the fea-
tured speaker.

Hostesses for the evening are
the fourth grade mothers.

County Nurses to Install Officers Friday
San Diego Licensed Vocational
Nurses will install officers in a
candlelight ceremony Friday at
7:30 at the House of Hospitality
in Balboa Park. Ceremony will
take place in the La Sala Room.

To be installed are: Mary Ann
Hassell, president; Mildred Laird,
first vice president; Ruth McCoy,
second vice president; Rosemary
Dorsh, third vice president; Hea-
ther Sandifer, recording secre-
tary; Irene Newell, financial sec-
retary and Thelma Lyons, treas-
urer.

Past president is Laura Helen
Lubrano. Refreshments will be
served.

Daughter Born On Christmas
Mr. and Mrs. Raymond Del
Pago, 7629 Lemon avenue, Lem-
on Grove, welcomed the arrival
on Christmas Day, via La Mesa
Community Hospital, of a daugh-
ter, weight 7 lbs. 2 oz. "Finest
Christmas presents we could have
received," says Raymond. We
wonder what the young lady will
think about having Christmas
and her birthday combined, after
a while.

Reminds us of a lady with two
pretty little girls we saw in a
store last week. The girls were
identical twins, and we said "You
have two to buy presents for."
The lady replied, "Yes, and two
for each. They were born on
Christmas."

LOCAL DANCERS MAKE IT TO EL CENTRO FOR SQUARE
Ten couples of square dancers
enjoyed New Year's in El Centro
as guests of the B-L-C Square
Dance Club of the valley.

The dance was held at the
Woman's Club in El Centro with
a wonderful dinner at midnight
and dancing afterwards until 2
a.m. The guests stayed the night
at a motel owned by the presi-
dent of the club and awakened
by the strains of "Salty Dog Rag"
at 8 the following morning. At 10
a.m. all were invited to another
home where a brunch of fried
chicken and biscuits was served
and square and round dancing
was taught and enjoyed the rest
of the day. The Roy Closes and
Jayson Littles were guests from
Lemon Grove.

SEMI-ANNUAL ASSEMBLY SET FOR NEXT WEEK
Opening a new convention
year, the La Mesa-Lemon Grove-
Spring Valley congregation of Je-
hovah's Witnesses will attend
their semi-annual circuit assem-
bly at Costa Mesa, Jan. 13-15.
Sponsored by the Watchtower
Bible and Tract Society of New
York, all sessions will be held
at the New Exhibits Building of
the Orange County Fairgrounds.
About 100 persons are expected
to be delegates from La Mesa-
Lemon Grove and Spring Valley,
according to E. A. Flinn, presid-
ing minister here.

When questioned concerning
the purpose of the convention,
Mr. Flinn replied: "Christian as-
semblies had their example in
the three yearly gatherings of
the ancient Israelites, (Lev. 23rd
chap. Heb. 10:25). These serve
to promote clean worship, foster
friendly acquaintanceship be-
tween the delegates and the com-
munity, and offer special Bible
instruction for the ministers. Last
year almost all Witnesses attend-
ed at least three conventions;
while 5000 North American dele-
gates traveled abroad for a se-
ries of assemblies in European
cities, in addition. The results
are reflected in our world-wide
expansion which reached 642,929
ministers last August.

The climactic speech of the
three-day assembly will be de-
livered Sunday at 3 p.m. by dis-
trict minister C. W. Rieger on
the subject "Overcoming the
Fears of This Generation." Mr.
Rieger brings the wide experi-
ences acquired through speaking
tours both in the United States
and Europe to this discussion,
and expected to draw an at-
tendance of 2000.

Jehovah's Witnesses will be
one of the first convention groups
to enjoy the facilities of the New
Exhibit Building, constructed
during the past year. Delegates,
many of whom will bring their
children, and interested people of
the community, are all expected
to enjoy the pleasant and profit-
able features to be presented. No
admissions or collections are taken
at any meetings.

STATE RECRUITING EIGHT TYPES OF HELP FOR INSTITUTIONS
California's state hospitals and

effective when given seven to ten
months after the second. Children
who were inoculated in April and
may of 1955 should be given their
booster injections now to get the
full protection.

At the present time, Salk vac-
ine is available from both public
and commercial supplies. The
public supply of vaccine is being
distributed by the department of
public health according to a plan
developed in cooperation with
the San Diego County Medical
Society and Osteopathic Associa-
tion. Under this plan, all persons
below the age of 15 and preg-
nant women are eligible to re-
ceive the public supply of Salk
vaccine, regardless of the ability
to pay. It will, however, be nec-
essary to have a prescription
signed by a practicing physician
before the department will issue
the vaccine.

All Salk vaccine injections will
be given by private physicians.
The department of public health
will not give polio inoculations.
As the vaccine has proven very
effective in reducing paralytic
poliomyelitis, parents are urged
to see their family physician to
have their children immunized
against polio.

Exchange Principal Likes Our School System
Harry Morgan Hale from Kai-
lua, 11 miles over the hill from
Honolulu, is principal of San Mi-
guel School this year. Mr. Hale
and our principal Robert Sutton,
exchanged jobs for a year, even
exchanged homes for that period.

Principal Hale has been a
teacher in Hawaii for 32 years,
going out there to teach in a pri-
vate school. He changed over to
the public school system when
the opportunity presented, and
has seen his school grow from
seven teachers to a staff of ap-
proximately 100 two years ago.

The school has been divided, and
the elementary and kindergarten
to sixth grade now have 1800
pupils, with a staff of 72.

Classes average 34 pupils, with
Japanese, Chinese, Hawaiian and
Americans, with some Portu-
guese, making up the students.

Mr. Hale makes no distinction
between the various races. He
says that color of skin makes no
difference to him, and that one
color is the same as another from
his viewpoint. He admires the
Japanese for their ability, gives
all races their due.

Incidentally he set me right
when I asked about the "Japs."
"We don't call 'em Japs, but Jap-
anese, and the Chinese resent be-
ing called Chinks. The Hawaiians
like to be called that rather than
Kanakas, and we so address
them."

Mr. Hale is a graduate of Uni-
versity of Kansas, got his Mas-
ter's degree at University of Ha-
waii, and earned it. "They sure
poured it on me. I never worked
so hard before. Those outsiders
come in from the States and
make things tough for the stu-
dents. No competing colleges.
Why, they even cut credits from
Harvard."

Mr. Hale is an operatic singer,
and has promised the Parent-
Teachers to give a recital this
spring. He is 57 years young, had
an operation last year and half
his stomach was removed, but
he is the picture of health, and
his biceps are hard as a rock. We
felt 'em. He reminded me some-
what of "Cactus Jack" Garner in
size and expression. He was born
in Oklahoma, lived in Owen's
Valley, California, before going
to Kansas to College.

Mrs. Hale was born in Wichita,
and they have a daughter, Patty
Hale, who is a teacher in San
Diego schools. She is a graduate
of State College. A three-year-
old grandson, with red hair, is
another attraction that brought
Mr. Hale to Lemon Grove. He
turned down an exchange prin-
cipalship near San Francisco so
the family could be together.

Mr. Hale thinks San Diego
County schools are first class. He
has met County Superintendent
Hardesty, likes the fine county
system and supervision, and par-
ticularly likes the support given
the schools by the citizens. Ha-
waii, being a territory, does not
segregate the tax money, and it
is sometimes hard to get money
for needed improvements.

Mr. and Mrs. Hale have en-
joyed their stay in the States.
Last summer they went to Brit-
ish Columbia, saw a lot of terri-
tory. This coming summer they
may go to Alaska before return-
ing to Hawaii.

Grossmont Hospital Committee Chairmen Named

Appointments of committee chairmen in the Lemon Grove area, Grossmont Hospital Women's Auxiliary, have just been announced by Mrs. W. K. Phillips, the area's new chairman. They are as follows: Mmes. E. W. Middleton, membership; Ted Nachison, publicity; R. R. York, sewing; C. B. Naliboff and R. B. Hamilton, telephone; G. O. Hobbs and George Cremer, ways and means. Mrs. Hobbs will be the auxiliary's chairman for the auxiliary's annual country fair; Mrs. Cremer for the annual harvest ball. A special chairman to represent Lemon Grove for the annual garden tour will be appointed later.

Committee chairmen in the various areas—nine of them—that constitute the auxiliary, represent their areas on general committees, and also spearhead the work of the committees in their respective areas.

Lemon Grove area's first meeting of the year has also been announced. It will be held on Monday, January 16, 9:30 a.m., in Lemon Grove Educational Center, 8025 Lincoln.

While it is not among the largest units in the auxiliary, Lemon Grove is one of the "work-in-progress." Although great gains were made in membership and prestige under Mrs. H. S. Haag, last year's area chairman, the unit is out to bring its position in the auxiliary still more in line with Lemon Grove's comparative standing, population-wise.

40 Babies Born in Grossmont Hospital In Two Weeks

That there were 40 babies born hereabouts must have a nest in a eucalyptus tree near Grossmont Hospital. Just think, 40 babies were brought by the old bird in December in less than two weeks time. His wings must be worn off at the tips from carrying that many bundles from Heaven.

Lemon Grove and Spring Valley contributed four little bundles.

Mr. and Mrs. Norman Paradise, 7405 Tweed St., were presented with a boy weighing 7 lbs., 8 oz. on December 8.

Mr. and Mrs. Remo Lusitania, 7127 Central avenue, welcomed a young lady weighing 7 lbs. 7 1/2 oz. on December 9.

To complete the Lemon Grove triangle, Mr. and Mrs. Frank Lehigh, 8102 Lincoln, ordered and received a 9 lb. boy. They think the stork is a grand old bird.

Spring Valley was represented at the gathering by a boy weighing 6 lbs., 10 1/2 oz., born to Mr. and Mrs. John Coker, 3527 Glenn Drive. The lad will come in handy around the yard when he and Spring Valley reach their growth.

Of the La Mesa contingent, Mr. and Mrs. Jim Hill were the lucky recipients of a boy, weighing 8 lbs., 5 oz. The La Mesa Scout got out a "special edition," in miniature, featuring the young man's arrival, with a photo of the youngster taken when he was one hour of age. Congratulations, Jim. We need more good newspapers in this area.—D. H.

GASCO HOOKS UP 1/4 MILLIONTH METER

Climaxing another year of continued expansion, the San Diego Gas and Electric Company finished it on a historic note when the 250,000th electric customer was connected for service. This milestone in the company's growth was reached when an electric meter was installed at the new home of Mr. and Mrs. Alfred D. Hinkle, Alpine.

Present at this eventful occasion were company officials Emery D. Sherwin, president, and Walter F. Chapman, commercial manager. Others in attendance, in addition to the Hinkle family, were John R. Reynolds, secretary-treasurer, Alpine Chamber of Commerce, and Clarke Irvine, publisher, Alpine Sun.

County Building To Boom Says Inspection Chief

San Diego County set a record breaking total for building permits in 1955 according to Judge Waldrep, chief of the building inspection department for the county.

More than 18,000 completions have been filed with a value of \$35 million, Waldrep stated. Many other parts of Southern California have shown an increase in money but few have a numerical gain, he said.

He also said that installation of the sewer system in Spring Valley would set off a building boom in that area.

Carltons Mark Wedding Anniversary

Mr. and Mrs. Tom Carlton, 8806 La Mar Street, Spring Valley, celebrated their 18th wedding anniversary New Year's evening at a party given by the friends and neighbors.

Mr. Carlton is associated with H. L. Benbough Co., and Mrs. Carlton operates the Lemon Grove Special Purpose Foods store at 7894 Broadway.

Subdivision Maps Imply Heavy County Building

County wide building activity is seen by Willis Miller, county planning director, as a result of an increase in subdivision map filings during the past year.

Building usually lags six months to a year behind the filing of subdivision maps, he pointed out and there was an increase of 70% over 1954 and a 95% increase over the average for the past five years.

Proposed subdivisions are widespread and considerable activity is scheduled for Fallbrook, Vista and Escondido districts, he said.

There is a trend to larger subdivision lots, many of them being 5 to 20 acre "estate" sizes. In 1954 88 maps with 3097 lots were filed. In 1955 there were 150 maps with 4617 lots.

Notice of special election pertaining to the annexation of El Tejado Annexation to the City of La Mesa.

NOTICE IS HEREBY GIVEN that, pursuant to Ordinance No. 671 of the City of La Mesa and to the Annexation Act of 1913, a special election has been called, to be held on the 24th day of January, 1956, in the territory hereinafter described and proposed to be annexed to the City of La Mesa for the purpose of submitting to the qualified electors residing in said territory the question whether or not such territory shall be annexed to, incorporated in, and made a part of said City of La Mesa, and whether or not the property in said territory shall, after such annexation, be subject to taxation equally with the property within the City of La Mesa to pay its pro rata portion of all the bonded indebtedness of the City of La Mesa outstanding or authorized at the date of the filing of the petition for annexation for the acquisition, construction or completion of municipal improvements.

Said territory is described as follows:

All that unincorporated area in the County of San Diego, State of California, bounded and described as follows:

Beginning at the Northwest corner of the Southwest 1/4 of Section 21, T16S, R. 1 W., S. B. B. & M.

1. Thence North 0°44' West to a point on the North line of Fletcher Drive, said point being the tangent point of a curve concave Southwesterly, having a central angle of 89°32' and a radius of 40.33 feet, according to Road Survey 684, on file in the San Diego County Surveyor's Office;

2. Thence Southeasterly along said curve to its intersection with a line bearing South 89°43' West being the South line of a 20 foot easement, as shown on Record of Survey No. 1533, Records of said County;

3. Thence North 89°43' East along said line to an angle point in the boundary of said Record of Survey No. 1533, North 43°08' East 76.80 feet; North 76°11' East, 18.0 feet; South 49°06'10" East, 58.59 feet; North 49°13' East, 70.22 feet; North

39°13'20" West 38.28 feet, and North 0°44' West to an intersection with the Southerly line of Lot 13 of Mount Helix Subdivision, Map No. 516, according to said Record of Survey No. 1533.

5. Thence North 55°33' East along the Southerly lot lines of Lots 13, 14, and 15 of said Mount Helix Subdivision to the Southwest corner of Lot 17 of said Mount Helix Subdivision;

6. Thence Northeasterly along the Southerly line of said Lot 17 to the Southeast corner of said Lot 17;

7. Thence South 79°45' East 200 feet more or less to the Northwesterly line of Road Survey No. 646 (Beaumont Drive) as shown on Record of Survey No. 3339, Records of said County;

8. Thence Northerly along said Northwesterly line of said Beaumont Drive to its intersection with the Northwesterly prolongation of a line bearing North 67°21' West, according to Record of Survey No. 3339, Records of said County;

9. Thence South 67°31' East along said prolongation and said line to the Northeast corner of said Record of Survey No. 3339; pro rata portion of all the bonded indebtedness of the City of La Mesa outstanding or authorized at the date of the filing of the petition for annexation for the acquisition, construction or completion of municipal improvements.

10. Thence South 38°44'30" West 49.01 feet, as shown on said Record of Survey No. 3339;

11. Thence South 24°20' West 218.24 feet to the Southeast corner of said Record of Survey No. 3339;

12. Thence South 39°09'40" East to a point 248.84 feet, distant therefrom from the Southwest corner of said Record of Survey No. 3339;

13. Thence South 29°45' West 30.52 feet, according to Record of Survey No. 3339;

14. Thence South 0°02' East 175 feet to a point in the Southerly line of said Mount Helix Subdivision, distant thereon 175 feet West from the centerline of Tuna Drive, according to Road Survey No. 678;

15. Thence South 89°55'30" West along said Southerly line of said Mount Helix Subdivision 248.48 feet to the Northeast corner of El Tejado Subdivision Map No. 2144;

16. Thence South 0°02' West 575.04 feet along the Easterly line of said El Tejado Subdivision to a point, distant North 0°02' West 346.85 feet from the Southeast corner of Lot 3, Block "C" of said subdivision;

17. Thence parallel with the North line of said Lot 3, Block "C" West to an intersection with a line parallel to and 100 feet East of the West line of said Lot 3, Block "C";

18. Thence North along said parallel line to the Southerly line of El Tejado Road, according to said Subdivision Map No. 2144;

19. Thence Southwesterly along said Southerly line of said El Tejado Road to its intersection with the Southerly prolongation of the Westerly line of Lot 3, Block "A" of said subdivision;

20. Thence North along said Southerly prolongation and West line of said Lot 3, Block "A" to the Northwest corner of said Lot 3, Block "A";

21. Thence North 56°40' West 135.76 feet to the most Northerly corner of Lot 1, Block "A" of said El Tejado Subdivision;

22. Thence North 10°55' East 69 feet to an angle point in Lot 5, Block "A" of said El Tejado Subdivision;

23. Thence North 45°13' East 67.04 feet to the Northwest corner of said Lot 5;

24. Thence North 45°13' East along the West line of Lot 6, Block "A" of said subdivision to its intersection with a line bearing South 89°27'45" East from a point on the Westerly line of said El Tejado Subdivision distant along said Westerly line 44.29 feet, Southerly from the Northwest corner thereof, said intersection line being the Northerly line of property deeded to H. Graham and Edith Nelson from James and Nola Nelson, deeds 4742/98, February 9, 1953, County Records;

25. Thence North 89°27'45" West 389.32 feet to the West line of said El Tejado Subdivision;

26. Thence Northerly along said West line 44.29 feet to the Northwesterly corner of said El Tejado Subdivision, being also the Northwesterly corner of the Southwest 1/4 of said Section 21 and the TRUE POINT OF BEGINNING.

Said territory is designated and identified for said election purposes and for use upon the ballots at said election as "EL TEJADO ANNEXATION."

For the purpose of said special election there has been established in said territory one voting precinct. The polling place for said precinct will be in the garage at 9470 El Tejado, San Diego County, California. The polling place will be opened at 7:00 A.M. and closed at 7:00 P.M. on said January 24th.

Upon the ballots to be used in said special election there shall be printed the words:

SHALL EL TEJADO BE ANNEXED TO, INCORPORATED IN AND MADE A PART OF THE CITY OF LA MESA AND THE PROPERTY IN SUCH TERRITORY BE, AFTER SUCH ANNEXATION, SUBJECT TO TAXATION EQUALLY WITH THE PROPERTY WITHIN THE CITY OF LA MESA, TO PAY ITS PRO RATA PORTION OF ALL THE BONDED INDEBTEDNESS OF THE CITY OF LA MESA OUT-

STANDING OR AUTHORIZED AT THE DATE OF THE FILING OF THE PETITION FOR ANNEXATION FOR THE ACQUISITION, CONSTRUCTION OR COMPLETION OF MUNICIPAL IMPROVEMENTS?

Opposite these words there shall be printed the words "Yes" and "No," and to the right of each of these last two words there shall be a voting square. If an elector shall stamp a cross (+) in the voting square after the printed word "Yes" the vote of such elector shall be counted in favor of the annexation of said territory to the City of La Mesa; and if an elector shall stamp a cross (+) in the voting square after the printed word "No" the vote of such elector shall be counted against such annexation. In all particulars not herein recited said election shall be held in conformity, as near as may be, with the laws of the State of California concerning general elections and with said Annexation Act of 1913.

The improvements for which bonded indebtedness of the City of La Mesa has been incurred, outstanding at the date of the first publication of this notice, and the amounts thereof, and the maximum rates of interest payable thereon are as follows:

Be the Proposed Annexation to the Lemon Grove Sanitation District

RESOLUTION OF INTENTION TO ANNEX

UNINCORPORATED TERRITORY TO THE LEMON GROVE SANITATION DISTRICT AND NOTICE OF HEARING THEREON

On motion of Supervisor Bird, seconded by Supervisor Howell, the following resolution is adopted and notice is ordered by the Board of Supervisors of San Diego County:

WHEREAS, J. L. Mather, the owner of certain property in unincorporated territory of the County of San Diego contiguous to the Lemon Grove Sanitation District, has requested this Board to annex said property to said Sanitation District under the provisions of the County Sanitation District Act; and

WHEREAS, the County Boundary Commission has approved the boundaries of the proposed annexation (Document No. 187322); and

WHEREAS, investigation of the proposed annexation by the Division of Engineering of the Department of Public Works discloses that said property is contiguous to said Sanitation District and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 190912); NOW THEREFORE

BE IT RESOLVED AND ORDERED: (a) That it is the intention of the Board of Supervisors of the County of San Diego to annex to the Lemon Grove Sanitation District under the provisions of the County Sanitation District Act all of that contiguous unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:

All that unincorporated territory in the County of San Diego, State of California, more particularly described as follows:

That portion of Lot 2, Partition of Rancho Mission of San Diego, Superior Court Case Map No. 348, filed in the Office of the Recorder of said San Diego County, and lying within the following described boundary line: Beginning at the most Westerly corner of Lot 405 of La Mesa Country Club Tract No. 8, Map No. 2034, on file in the Office of the Recorder of said San Diego County, said corner being a point in the boundary of the Lemon Grove Sanitation District;

1. thence along said boundary, North 55°31'40" West (Record North 55°47' West), 79.20 feet; 2. thence, leaving said boundary, North 64°13' East along the Southwesterly prolongation of the Southeastery line of Lot 404 of said Map No. 2034, and along said Southeastery line to the most Easterly corner of said Lot 404;

3. thence South 33°47' East, 69.25 feet to a point in the Northwesterly line of said Lot

405; 4. thence Southwesterly along the Northwesterly line of said lot to the Point of Beginning.

(b) That said Sanitation District following said annexation shall continue to be known by that name;

(c) That the Board of Supervisors hereby sets Tuesday, the 24th day of January, 1956, at the hour of 11:00 o'clock a.m. in the Chamber of the Board of Supervisors, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place fixed for the hearing of objections to the annexation of said territory to said District, or to the extent thereof.

(d) That the Clerk of the Board of Supervisors is hereby authorized and instructed to publish this resolution of intention and notice of hearing thereon at length in at least two successive issues not more than 30 nor less than 10 days prior to the time of said hearing in the Lemon Grove Review, a newspaper of general circulation in the County of San Diego, in the territory proposed to be annexed, and in said Sanitation District.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 20th day of December, 1955, by the following vote:

AYES: Supervisors Gibson, Bird, Robbins, Austin and Howell

NOES: Supervisors None

ABSENT: Supervisors None

STATE OF CALIFORNIA) ss.

County of San Diego.)

I, R. B. JAMES, County Clerk of the County of San Diego, State of California, and ex-officio Clerk of the Board of Supervisors of said County, hereby certify that I have compared the foregoing copy with the original resolution passed and adopted by said Board, at a regular meeting thereof, at the time and by the vote therein stated, which original resolution is now on file in my office; that the same contains a full, true and correct transcript therefrom and of the whole thereof.

Witness my hand and the Seal of said Board of Supervisors, this 20th day of December, A.D., 1955.

R. B. JAMES,

County Clerk and ex-officio Clerk of the Board of Supervisors.
